Local Election Results—November 7, 2006

The November 7th election, had been expected by many eager residents of commerce city of all ages. The results had been expected by many in favor of the ballot issues and those not in favor. All the results will make a huge impact in the city and for the city residents, mostly for the kids and their future. The ballot issues are beneficial in all sense to the city and to the reputation that the city holds. As the logo puts it in a clear way "Kids First." The results on the construction of a new High School as well as a Communityt college at the new development of the Prairie

Gateway, and improvements on the existing schools this issue was approved. A feeling of happiness and excitement and joy all at once was felt among all those in support of this issue as soon as the unofficial results were presented and posted by the county clerk Carol Snyder. A new high school not only means a new building but it also means building the future for our kids.

Latino Board

Commerce City Community Enterprise is an organization dedicated to understanding and building bridges for community needs. One of the many missions Community Enterprise has set for the upcoming year is to build a Latino Board of Directors, this will give not only Community Enterprise but the Latino population in the city an opportunity to share valuable ideas and put them into action to strengthen our city even more. If you know of anyone who would be interested in participating in the Latino Board for Community Enterprise please refer them. Contact your neighbors, relatives and more on your favorite Latino person. This is a great opportunity to understand and enjoy diversity. Commerce City is Multicultural, after all that is just one of the assets that contributes towards making Commerce City an interesting City.

Commerce City Community Enterprise es una organización dedicada a entender y crear puentes a las necesidades de comunidad. Una de las tantas misiones que Community Enterprise se a propuesto para este año venidero es de crear una Mesa Directiva de Latinos, esta oportunidad será magnifica no solo para Community Enterprise pero al igual para los habitantes latinos de la ciudad. Esto creara vínculos para compartir las ideas valiosas de ambos y de esa manera lograr que nuestra ciudad sea aun mas fuerte. Si usted quiere formar parte de esta mesa y tener una voz escuchada en la ciudad u conoce a un amigo que con las cualidades infórmele! Hable a community enterprise. Esta es una oportunidad fantástica para entender la diversidad. Commerce city es multicultural y después de todo eso es solo uno de los atributos que haces de esta ciudad un verdadero interés.
